

TEAM BUILDING 1

LOCATION	DURATION	No. of DELEGATES	COST per person
On-site	1 day	6 -12	£250.00

This course is about familiarisation. It is essentially for new teams, or teams which work remotely where team members do not know all other team members

OUTLINE

This course is a useful precursor to doing Team Building 2 and Team Building 3. All three Team Building courses can be done as a sequence over a period of four - twelve months.

Team Building 1 ensures that all team members get to know each other, understand more about each others' personalities, skills and ways of working and will develop effective ways of working as a team.

As the team work together in an improved way motivation and commitment to the success of the team will increase.

AIM

To get to know each other and be able to work better together.

OBJECTIVES

To get to know and understand the other members of the team.
To work out effective ways of working together.
To build familiarity, motivation and commitment.

OUTCOMES

All team members will know each other.
All will understand more about the way they operate.
Develop structured ways to work more effectively as a team.
Will be more motivated.
More committed to the success of the team.
